Announcement:

November 9, 2009

Effective September 15, 2009, The ILS Company is proud to announce receipt of International Carrier Bond authorization.

As a bonded carrier, ILS retains a copy of the basic in-bond control documents for ready reference purposes and maintains documentation in order to comply with Customs record keeping requirements.

For additional information on how you can benefit by using The ILS Company to move your in-bond shipments, please contact:
