Press Release

FOR IMMEDIATE RELEASE December 17, 2009

The New ILS Hermosillo Warehouse

FOR IMMEDIATE RELEASE Tucson, Arizona, December 17, 2009 - The ILS Company, a leading Third Party Logistics (3PL) company headquartered in Tucson Arizona, announces that effective January 2010 warehouse activities in Hermosillo will be relocated to a new site that is close to its current warehouse. The new site was chosen based upon lower volume levels as a result of the downturn in the automotive market.

All personnel directly related to our services will be retained. All systems and processes will be transferred. The Hermosillo contact information (telephone number and email addresses) will remain as before.

ILS' extraordinary reputation as full service provider in Hermosillo has aided ILS in its strong Hermosillo and automotive market position. ILS has warehouses in Tucson Arizona USA, Empalme Sonora Mexico, Saltillo Coahuila Mexico and Hermosillo Sonora Mexico.
